

ADV Hydro Bootie

ADV Hydro Bootie is a waterproof shoe cover with taped seams that keeps your feet dry on wet rides. The shoe cover is made of elastic, wind- and waterproof fabrics and features reinforcements at heel and nose, waterproof zipper at back and Velcro adjuster at top of shaft for a perfect fit. All seams are covered with waterproof tape. Fits any kind of cycling shoe.

- Elastic wind- and waterproof fabric
- Taped seams
- Reinforcements at heel and nose
- Durable waterproof zipper at back
- Velcro adjuster at top of shaft
- Reflective details
- Open design at bottom with Velcro adjuster that fits any kind of cycling shoe
